Internship Certificate

Mr Stanislav Kiselevskii, was employed by our company as an intern from 17.08.2026 to 16.10.2026.

Mr. Kiselevskii was employed in the Data Science and Machine Learning Operations department. Here, Mr. Kiselevskii was responsible for evaluating and building a prototype to successfully convert an existing application into our corporate Agentic AI framework. He also developed a Proof of Concept (PoC) for a user interface within our AI Chat system using React and NodeJS. For the efficient execution of these projects, he structured and broke down the complex tasks into our bi-weekly sprints within Azure DevOps. The work carried out was related to connection with current development projects and in constant exchange with potential customers of the company.

Mr. Kiselevskii always carried out the tasks entrusted to him to our complete satisfaction. Due to his very distinctive ability to work in a team, he was able to integrate very well into the department. His behaviour towards superiors and employees was impeccable at all times.

We would like to thank Mr. Kiselevskii for his work and wish him all the best for his future career and personal development.
